

**Gary L. McArthur**

Gary L. McArthur is senior vice president and chief financial officer of Harris Corporation. His responsibilities include oversight of all internal and external financial reporting, Securities and Exchange Commission compliance, Sarbanes Oxley 302 and 404 compliance, financial planning, banking/investment banking relationships, financial controls, capital structure, accounting, audit, financial services, tax, and treasury. In addition, he is responsible for Investor Relations and plays a key role in the development of the corporation's strategic growth plan and the evaluation, execution, and integration of mergers and acquisitions.

Mr. McArthur assumed the position of vice president and chief financial officer in March 2006. Previously, he served as vice president of finance and treasurer, vice president of corporate development, and director of corporate development. He joined Harris in 1997.

Before joining Harris, Mr. McArthur was chief financial officer of 3D/EYE, Inc. Previously he spent 13 years in various finance and accounting positions, including executive director—Mexico and director of mergers and acquisitions at Nextel Communications, Inc., as well as associate of corporate finance at Lehman Brothers, serving technology, telecommunications, media, and

defense customers. He was also the vice president of finance and chief financial officer at Cellcom Corporation, and was a consultant on emerging business services and staff accountant at Deloitte & Touche.

He served on the boards of directors of Live TV and Terion Inc. (both Harris technology spin-outs) prior to their acquisitions by JetBlue and GE, respectively. At Terion, he was also the chairman of the audit committee. He is a member of the American Institute of Certified Public Accountants, Financial Executives International, and the Center for Corporate Innovation Inc. Corporate Board.

Mr. McArthur has a bachelor's degree in accounting from the University of Utah and a master's degree in business administration from Harvard University's Graduate School of Business. He is a certified public accountant.

Harris is an international communications and information technology company serving government and commercial markets in more than 150 countries. Harris is dedicated to developing best-in-class *assured communications*<sup>®</sup> products, systems, and services.
